

Lydney Access & Active Travel Map

Introduction

This map has been produced by the Gloucestershire Community Rail Partnership (GCRP) to help people with their personal travel choices and access needs to and from railway stations.

We hope this guide can help make journeys easier for everybody; whether you are visiting the area or travelling to work or school.

For more information about the GCRP and detailed access and sustainable travel information, contact or visit...

Community Toilet Scheme

The Community Toilet Scheme is for businesses and organisations who are happy to allow members of the public to use their toilet facilities.

Safe Places

Safe Places is a scheme which helps vulnerable people deal with any incidents whilst in the city centre. Look out for a logo in shop windows

Station Neighbours

These are places within the immediate area surrounding a railway station that offer a place of refuge during times of need.

A select number of locations have been highlighted in the map below. A full list for each scheme can be found via the GCRP website.

For any issues onboard trains, at or nearby stations, text the British Transport Police on **61016** or call **999**.
